

## Season's greetings to you and yours!

*As the holiday season is upon us, we find ourselves reflecting on the past year and those who have helped to shape our business. It's been quite a year for us all! We hope that 2018 has been just as memorable for you and your loved ones. We look forward to serving you in the years to come.*

## Featuring our latest in TV Technology!

### Sony Master A9F OLED TV

Get the latest in TV technology with the A9F OLED Master Series TV by Sony this holiday season, available in 55-inch and 65-inch screen sizes, includes 4KHDR, X1 Ultimate, a Pixel Contrast Booster, acoustical Surface Audio and is IMAX enhanced. Call us today for a professional installation.

### Sony Master Z9F TV

Choose Sony's the Z9F LCD if you are seeking a 65-inch and 75-inch LCD screen that delivers the highest quality color and definition on the market made possible with its 4K Ultra HD. Call us today for a professional installation that includes programming and syncing with all your other smart home audio/visual devices.

## Samsung Frame TV

The Frame is as much a work of art as it is a TV. With revolutionary Art Mode, The Frame transforms from TV to beautiful, lifelike art. It's a regular TV when you want it to be, but when you switch it off, it turns into something else entirely. If you're an art collector, it can be art. If you just want to display pictures, it can do that too. Call us today so we can install and program your new frame TV!

## Sony 4K Projector TVs

Experience crystal-clear 4K HDR with brightness that lights up the room. With a dynamic contrast ratio of 350,000:1 and Advanced Iris, every scene springs to life with finer detail, realism, and deep blacks. Picture Position Memories let you quickly watch movies in the ideal screen format with ease. Let us install one in your home theater this season!

Sincerely,
